Base Bldg.
Bungalow #2
Mustan Cant.

Dear Mom,

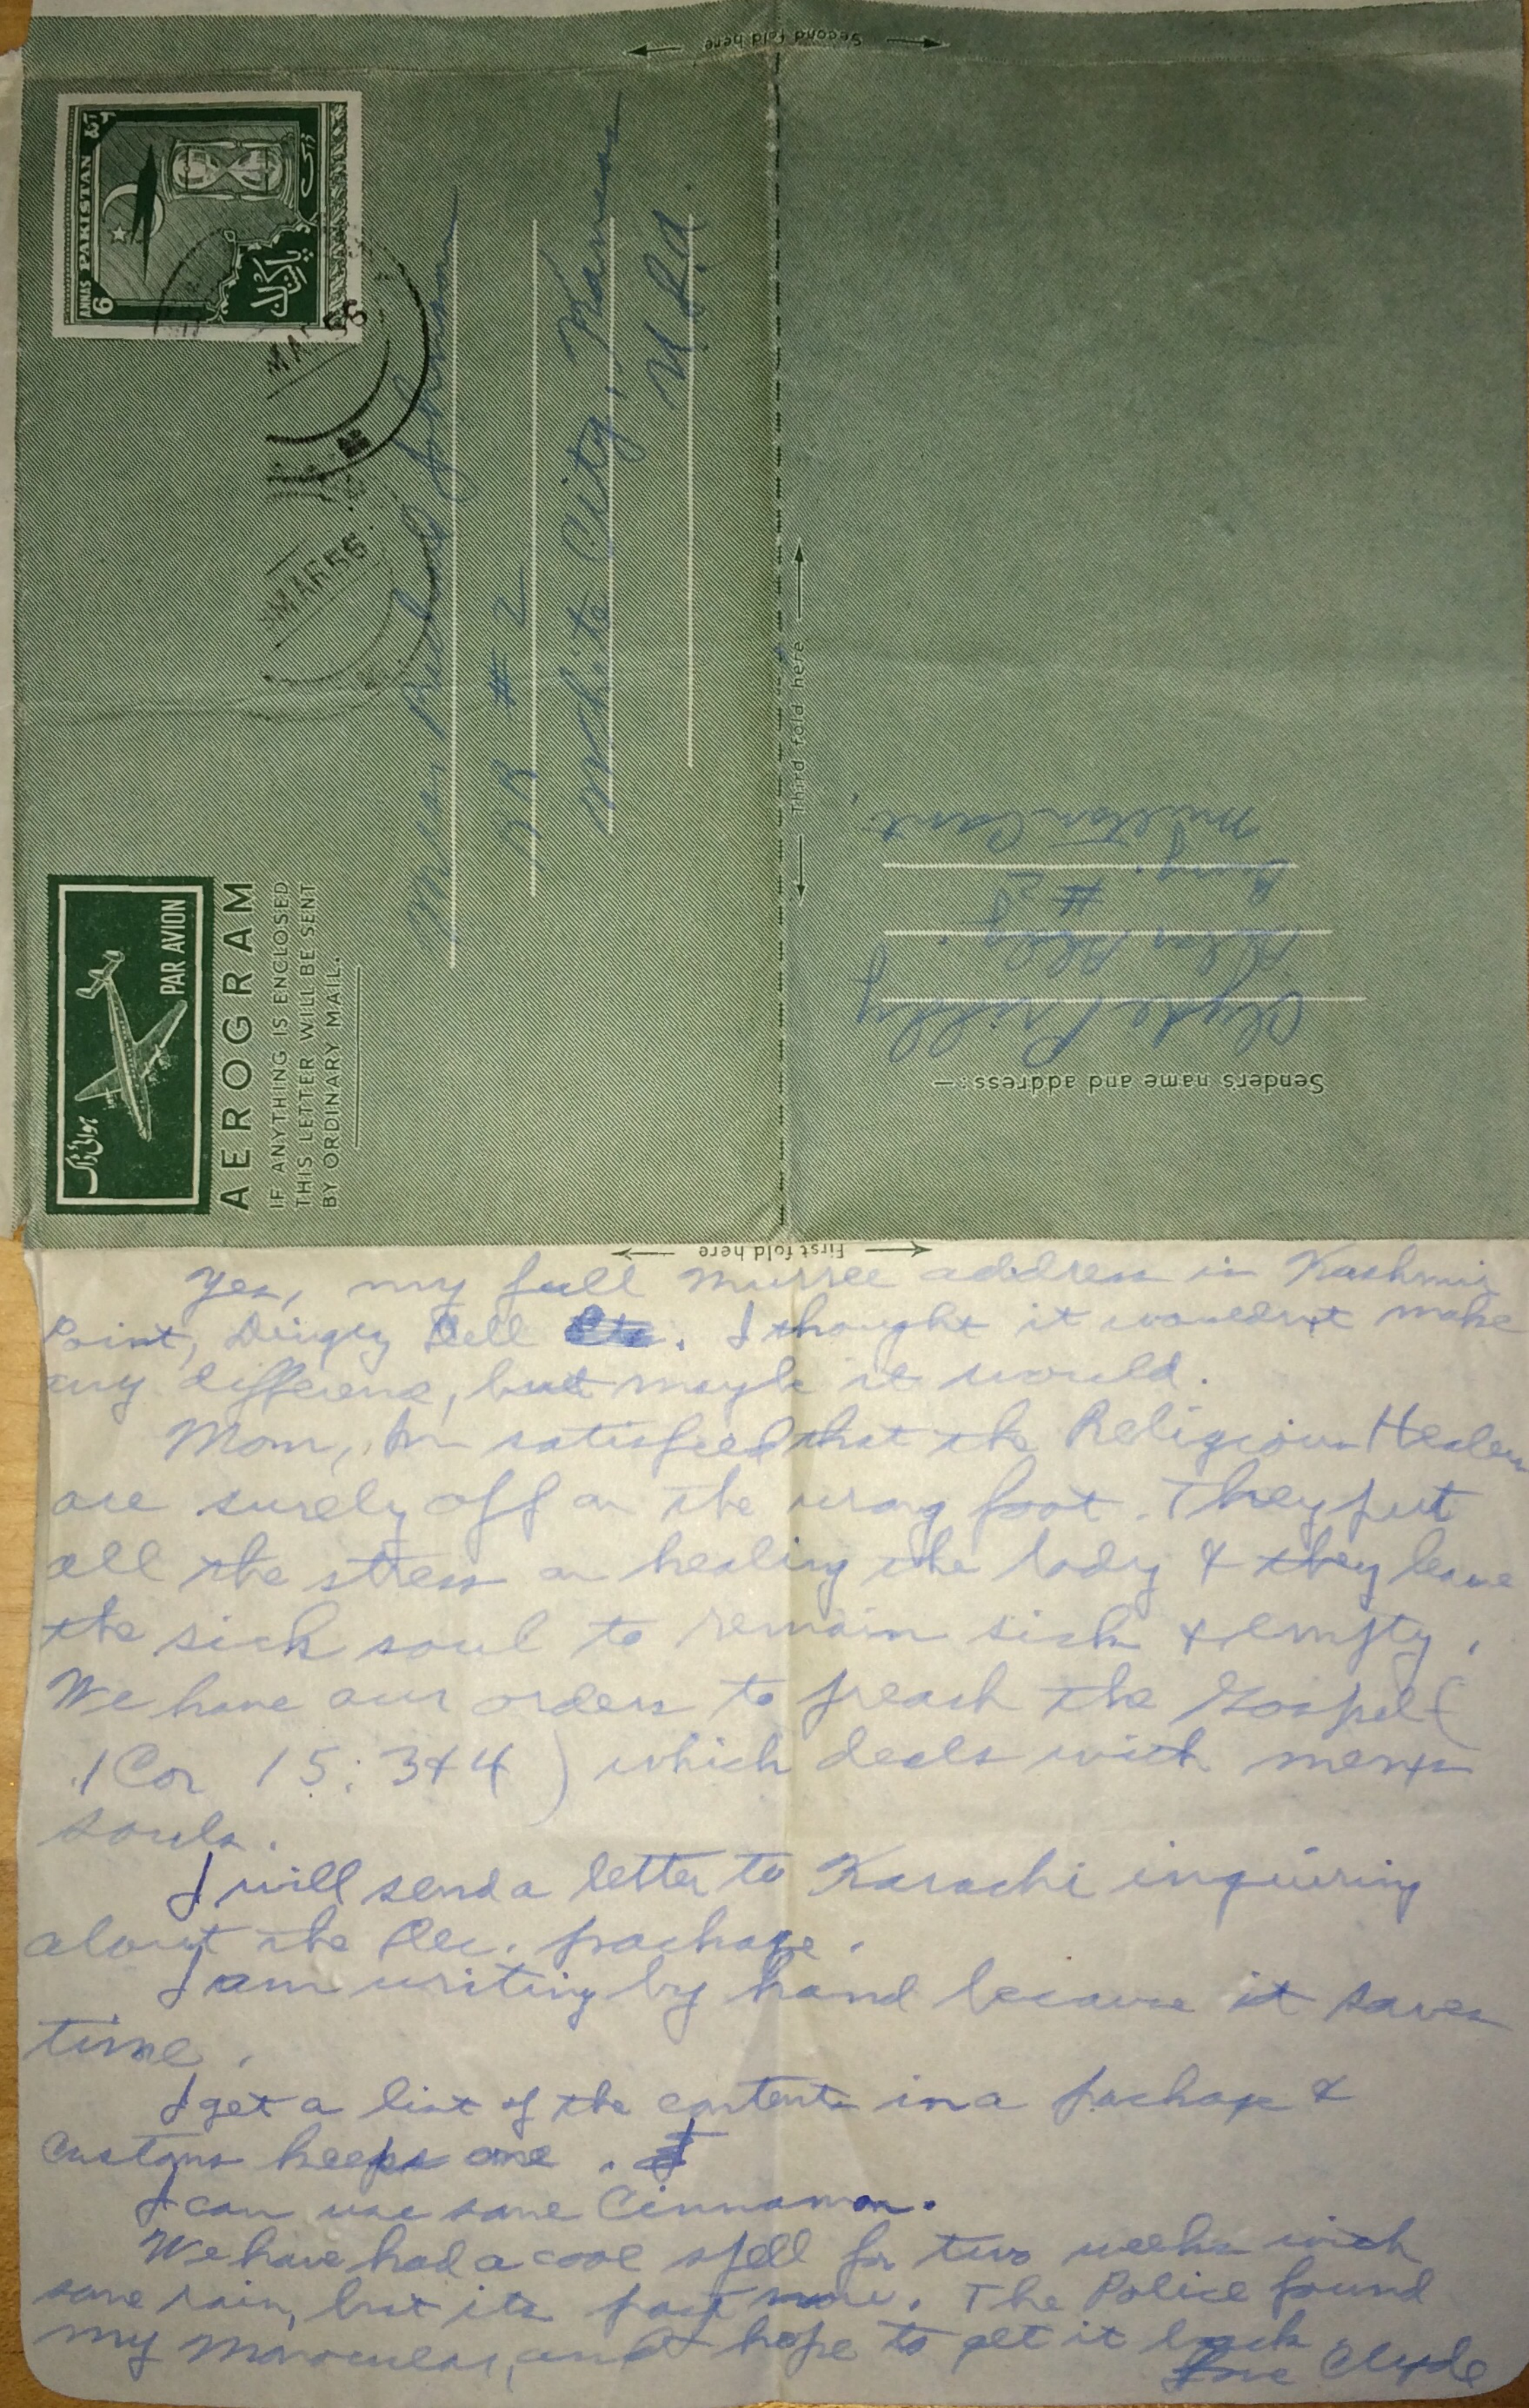
I have received several letters from you lately, but I haven't had much time to write.

I went to Lahore for three days to a conference and that took up some time etc.

About the packages: I didn't receive a package with 3 - 3# tins of chocolate & 2# of coffee. I didn't even know you had sent it. I wish you would let me know the dates or approx. dates when you sent packages so I can inquire about them here. The way it is you leave me all confused as to when and how many you send. I wish I would have gotten the cheese & coffee. I'm not hungry for chocolate now as hot season is here and I've lost my appetite for sweet things to a great extent. If in Murree it will be cooler this, I doubt whether chocolate will be fit to eat coming through now or after this. I like good hard candy wrapped.

Mom, I really don't want so many packages. During the winter I like them more and especially good chocolate, but you can't expect to supply me all my food by package. I really don't care for ~~lots~~ of spaghetti & Meat Balls in cans. It's good but it costs too much & there are many things I would rather have. Please don't send out all kinds of laxatives etc. I don't want any laxatives if I can get them here. I don't know why you send such things.

I have no use whatever for P.O. Money Orders, and they will just be something more to pack around. We don't have P.O. School here in Eng. & we don't here Int. Lessons. Please don't send books that I don't ask for as I don't have time to read them, and they are a nuisance here to take care of.



Yes, my full mailing address is Pakhmu Point, Dingy Bell. I thought it wouldn't make any difference, but maybe it would.

Mom, I'm satisfied that the Religious Healers are surely off on the wrong foot. They put all the stress on healing the body & they leave the sick soul to remain sick & empty. We have our orders to preach the Gospel (1 Cor 15:3-4) which deals with men's souls.

I will send a letter to Karachi inquiring about the Alc. package.

I am writing by hand because it saves time.

I get a list of the contents in a package & customs keeps one.

I can use some Cinnamon.

We have had a cool spell for two weeks with some rain, but its fair now. The Police found my mouser, and I hope to get it back

Love Clyde
