Dear Mom,

I meant to write you after I received your letter, but I ~~of~~ was very busy running the Publishing House for a month by myself.

Sept 1st, I went to Mamee & brought the family down. The children got heat rash very bad, but after a couple of weeks it cooled off slightly and they got better. It still runs 97° every day here, but it seems cool to me. I suddenly shut the fan on at 97°. Of course its dry now too so that helps.

I had a nice letter from Chuck & Jerry.

I am glad you liked the books about David. It seems to sell very well in the States. I sent you some more copies. If you can sell them give me the money, and if not just hold the books for me as I want some when I get home.

Can you send out a small Christmas parcel? I don't know how you folks live nowadays so

"I want to write another story soon, but I may not get to it."

I hate to ask, but if you can get me
two or three boxes of candy - bars &
wrap them up solid & send them
soon they should make it here by
Christmas. I won't say anything to
Mary or the children about it.
If you can't get them, please don't
worry about it as they are a small
thing.
Mary is sure thin. Weighs about
106 pounds. Grace is very big & strong.
She is 10 months old now.
Hope you all are well. Love
Dyde
