Dear Mom,

Just a quick note to tell you that little Michelle Alice arrived at 5:50 AM Sunday Jan 24.

She weighs in this big, only 5 lb 9 ozs., but she is a little. She is doing nicely with us in the hospital.

The pains started at 12:30 AM Sunday and we took her to the hospital at 1:50 AM & Michelle was born at 3:50 AM! It was a very short & easy delivery. Alice Kitchen delivered the little girl.

Mary & baby are coming home after only 2½ days. She had to be cut & several stitches taken.

I watched the delivery & it was much easier to watch than the 1st one.

Did I tell you we will fly March 25th from Karachi. We will arrive home that same night in N.Y. Pan American Jet Clipper.

I see there is another boat in so your package should be on it.

"Love" Much love Clyde.

Little "Bell" came out yesterday & I found myself looking for Pamela's name among the list of people who received it. Perhaps it wasn't there because we haven't been in touch with each other since we left Peshawar. I'm sure she would gain very much from the change & experience here & afterwards also.

Here I must end, but we have come of age & very first. It's so much nicer that many, many times to think there we have.
