Dear Lee, Lois & children,

I know it! I know I haven't written for a long time. I've been so busy that I couldn't write & finally I just stopped everything & decided to write to everyone. I've been too busy to study & do much else. So much has happened in two months since I left Murree.

I want to tell you that I got the records of pay about 2 or 3 weeks ago. Everyone ~~was~~ in good shape & no one was broken. The records were or rather are excellent. Thanks very much.

Also, I got the pictures. I think I told you before.

The pictures are very nice. Thank you for them.

Everyone else has told me that little Phyllis Ann arrived safely & I know that. I suppose it has been a very busy time for you folks.

I think the Bookstore will be open this week-end or next week for sure. The Lord has wonderfully provided for the bookstore. It costs more to furnish it than I expected but the Lord supplied all the money needed so far. I got a nice store on a main street close to several schools. Most publishing houses & printers in the States gave me a 30%, 40 or 50% discount on books.

I want to thank you for the money you sent to my support. My receipts show \$36.00 for Oct. 18 and \$32.00 for Oct. 6 & \$35.00 for Sept. 19th. When I didn't realize there was so much on the month's slips. But for Sept I had very little. The office didn't get the slips out very good for Sept. but it really doesn't make much difference which month it's in. That was a total of \$103.00 on my October slips from you. The Lord richly bless you for your giving.

I would like to get a motorcycle next fall about a year from now. If everyone gives as they have been I think I can save the money needed if the Bookstore doesn't cost too much. I plan on paying for the bookstore.

IF ANYTHING IS ENCLOSED
THIS LETTER WILL BE SENT
BY ORDINARY MAIL.

from my own pocket more or less.
I moved into a nice new bungalow with
one of the married couples. I can finally unpack
my stuff. I have just been living out of my
suitcases the past two months waiting to move
somewhere and I don't had to move from the room I
was in. I don't have anything to unpack into the
and I don't have a chest of drawers yet, but hope to get
one soon.

We had our first General Conference here a
few weeks ago. Our General Director Bro Ed
Fredericks came up from India & brought us
messages & explained mission business to us
for four days & then he stayed on & looked
over our territory here for new stations in the
future. We ~~need~~ have many good towns
in our area & soon will have many new
stations as some start to move out after
getting the language. Must close.
The Lord Bless you,
Love Clyde
