Dear Mom,

Received your letter of Oct 31st today. I expect the check will be in tomorrow or the next day.

Thanks for sending the packages, don't worry about them as they will be good enough. Don't worry about the \$100.00. It was my money, and they were things I needed and couldn't get here. Don't send it back.

The Baptists in Bridgeport sent me a check for \$100.00 as a wedding gift so that takes care of the money.

Did you get the wedding announcement? Yes, we are well married by now. In fact are month ago today. We went on a 2 week honeymoon in Quetta & Ziarat a mountain village.

Mom, one of the boys made a tape of the wedding (to play on a tape recorder) so if you can find a way to listen to it I will have it sent to you. It will be another month or more before we send it tho.

We had a lot of pictures taken so we will be sending some along soon now. I think you will like them. I'll send some to all the others too so keep your own & don't send them off. I'll only send three each to the others but I'll send you the whole set of six. I'll try to get them off in a few days, maybe tomorrow.

Mary and I are fixing up our place here now. We are very busy. We have to clean & paint all the woodwork & unpack all of our barrels etc. The courtyard is

all full of soft, fine sand so in having that
carried out & earth brought in so I can
have some grass & flowers. There isn't a
single piece of glass in the place so I want
some glass put in so when its cold I can
see inside.

We're bid to fix up & paint kitchen
~~cabinets~~ cabinets & tables etc. Also have
to prepare sermon in Urdu. Sunday, Mary
and I will drive 20 miles out on the
motorcycle to preach to a group of Christians
in a little village. Mary will teach the
children while I preach to the adults.

I have to get out and sell literature
also. If Pennys have a pair of shoes
like I described & they are cheaper - you
might get them there. Thanks for
writing. Love, Charles & Mary
