Dear Mom:

I don't know if Clyde has written you since your last letter or not, we are so sorry for you and the rest of the family who no longer have Aunt. We shall miss her greatly ourselves must be very hard for you to have your sister. Have you heard from Aunt Mattie since?

We came here from Murree a - ago yesterday. Packing up and getting out of there is always a lot of work, since we won't be going back next summer there was extra work. We left there a little after 9:00 AM and got here a little before 6:00 PM. This place was a mess! It is always dirty after being closed for the summer, but this year the owner had built a second story on the house in our absence. Since they put in cement floors up there, water had poured through into our part and it all smelled of mildew, etc. We are gradually getting back to normal.

Suppose you are hearing in the news about India's war against Pakistan. Don't worry about us. Pakistanis have driven them away from Lahore, and we are safe and well. We have all we need. Mails are not moving very

fact, as I don't know when you'll
get this.
