SEE INSTRUCTION NO. 2

DEAR MOM

Just a few lines to let you know in A.M. a ~~famous~~ doctor who has been all over the world in the past 2 years & has written several books examined me & diagnosed my trouble, now under a new treatment is coming along fine. It seems I have a rare disease not very well known to medical science. The treatment isn't so pleasant, I have to take 2 shots a day along with other medicine, & several blood tests. So I'm getting to know what a pin cushion feels like.

The war news sure sounds good lately. A couple days ago we heard over the radio that Germany had surrendered & we all felt pretty good till we found out it was false. The Japs broadcasted it. Quite often they let us know what they think of us.

I still haven't received any mail. I'm a long time to not know what you all are doing. I've given up hope of ever getting any mail sent to M.C. It must be lost. Sayon very dear from Hennes With love to all
