Dear Mom,

I wanted to tell you after writing the other letter asking for so many things that you better not send it all in one package.

Do not value a package over \$25.00 or I might have to get an import licence to get it. You better send it in two packages & if you can get it off by the middle end of Sept. I might get it by Christmas.

I asked the office to send you \$100.00 so you will be able to buy it.

If you see anything you think Mary might like please buy it for her. She asked for the jacket, but she doesn't know I told you to get a bathrobe. She said she needed one but could wait until next year.

In case you couldn't read that other information I will repeat it. Mary is 5'2" tall and weighs 110 lbs. She has very dark hair & light blue eyes. Her shoulders are fairly wide. This is in case you want to buy her anything.

best 34 [18-20] size is 34
my dress, mother

After being here for 2 1/2 years I've worn out a lot of things and they get so dirty that I can't get them clean any more. I never had any colored dress shirts to start with.

If you have any money left over send out another food package with candy, brown sugar, peanut butter, peanut butter, jello, etc.

Mary leaves with the doctor for

AEROGamme

IF ANYTHING IS ENCLOSED
THIS LETTER WILL BE SENT
BY ORDINARY MAIL.
